Your Excellency,

As you know, during the Sixth Summit of the Prime Ministers of the People's Republic of China and the countries of Central and Eastern Europe, held in Budapest on November 27, 2017, Bosnia and Herzegovina received support for holding a Fair of Agricultural Equipment and Investment in Agriculture, which will give an opportunity to present their products to reputable manufacturers of dedicated machines and equipment in the agrarian sector from the "16 + 1" Member States (China + Albania, Bosnia and Herzegovina, Bulgaria, Croatia, the Czech Republic, Estonia, Hungary, Latvia, Lithuania, Macedonia, Montenegro, Poland, Romania, Serbia, Slovakia, Slovenia).

In this regard, we would like to inform you that the "Fair of Agricultural Equipment and Investment in Agriculture - 16 + 1" will be held within the International Fair of Economy in Mostar from 10 to 14 April 2018.

The Ministry of Foreign Trade and Economic Relations, as a sponsor, would like to invite you to attend this manifestation and its opening ceremony on April 10, 2018. A Business Forum of the participating countries will be organized on the same day within the business part of the fair on "Investments in agriculture of the 16 + 1 countries", as well as a number of other presentations and bilateral contacts between delegations of participants.

We also kindly ask you to inform your relevant institutions about the Fair in order for businessmen from your country to have an opportunity to present themselves and be part of this significant event. Please note that the outdoor exhibition space for the exhibitors will be free of charge, while the use of the office space within the exhibition part will be charged in line with the commercial conditions of the Fair.
