

**WOLVES  
SUMMIT**

**23-24 OCTOBER 2018**  
WARSAW, POLAND

# CREATE, NETWORK & GROW

MEET STARTUPS, INVESTMENT FUNDS, CORPORATIONS, AND BUSINESS REPRESENTATIVES.

**Wolves Summit** is a conference for startups, investors, corporations, entrepreneurs and SMBs from around the world interested in innovations in technology and building a global business network. It focuses on entrepreneurship, innovation, and creating strong business relations between participants. Wolves Summit was founded in Poland and promotes the country as a place with conditions favourable for business development.

So far we have gathered more than 12 411 attendees, including 2089 startups, 1287 investors and 2210 executives from 67 countries. They joined 18 980 1:1 meetings and spent hundreds of hours developing their companies.

# GLOBAL REACH

The **8th edition** of Wolves Summit is taking place in Warsaw, Poland on 23-24 October 2018. It focuses on innovations in technology and providing quality business connections. It is a unique opportunity to meet innovative projects selected to meet the needs of attending corporations and investment funds. Out of all startup applications we choose 300 companies to attend Wolves Summit for free.

This year is special as we proudly celebrate 100 years of Poland Regaining Independence. Conferences such as Wolves Summit are meant for building relationships, that is why we focus strongly on creating networking platform, bringing the right people together and helping facilitate connections. We bring key players from the CEE and the global market to talk about new technologies and exchange ideas for most prosperous future.

**If you would like to join Wolves Summit and help us promote Poland, please contact us and find out more.**
